

PRECISION EXTREME

INDUSTRIAL STRENGTH DEGREASER

Precision Extreme safely cleans oil and printing ink commonly found in industrial cleaning applications. Precision Extreme has been engineered to be used in multiple cleaning applications, including asphalt removal, pressroom cleaning applications, industrial maintenance and parts washing operations.

ADVANTAGES

- Quickly removes grease, oils and hydraulic fluid, asphalt and printing ink.
- Safe to use on a wide variety of surfaces, will not corrode ferrous metals.
- Concentrated for cost effectiveness.
- Low VOC formulation.
- Does not contain any soy, caustics, harsh solvents or phosphates.
- Safe on blankets and rollers.

- ✓ BIODEGRADABLE
- ✓ NON-CORROSIVE
- ✓ NON-FLAMMABLE
- ✓ NON-TOXIC

APPLICATION	DILUTION WATER TO PRECISION EXTREME
Pressroom Cleaning	1:1 to 5:1
Asphalt Equipment Washing	Full
Heavy Duty Parts Cleaning	1:1 to 2:1
Oil Refining Cleaning	Full to 2:1
Floor Cleaning	15:1 to 30:1
Pressure Washing	Full to 30:1
